ODEQ Letter Dated 03272013.pdf

Hi All,

See attached. Notice no deadlines or alternative options provided for Additional Forestry Measures, plan to use voluntary approach for OSDS and plan to submit final document (no revised version for EPA/NOAA review or outreach discussed) for New Development.

Using this as a starting point, think about thresholds.....

Jayne

Hi Dan,

I have attached a letter the ops office received here for you from ODEQ. I will send the original to you via USPS.

Have A Great Day!

Tom
